Subject: Request advancement of examination for Patent application
no. 10/725,226 filing date: 12/01/2003 Art Unit no. 3683

Robert Siconolfi (Examiner)
Art Unit no. 3683
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Mr. Siconolfi,

I am referring to your office document: MPEP 708.02 Examination of Applications, page 700-127 stating: "(F) Applications which appear to interfere with other applications previously considered and found to be allowable".

I attach herewith my statement confirming that my previous application is totally replaced by the above-mentioned application which covers elements, structures of the invention being well equipped technically under patent protection.

I appreciate to have your assistance to take advancement of examination for the said application.

Respectfully,

A handwritten signature in black ink, appearing to read "Henri Duong".

Henri Duong
